

# Quadra

Quadra's frame geometry is complemented with extensive modularity and exclusive matching accessories creating a contemporary and elegant style that makes the kitchen the undisputed star of the space.

The Quadra door, with a 10 mm frame, is available with a handle or without handle with profiles, in matt lacquered, mica and wood finishes.

Quadra with handle, combines perfect geometries with details of personality: the Elegante handle and knob.

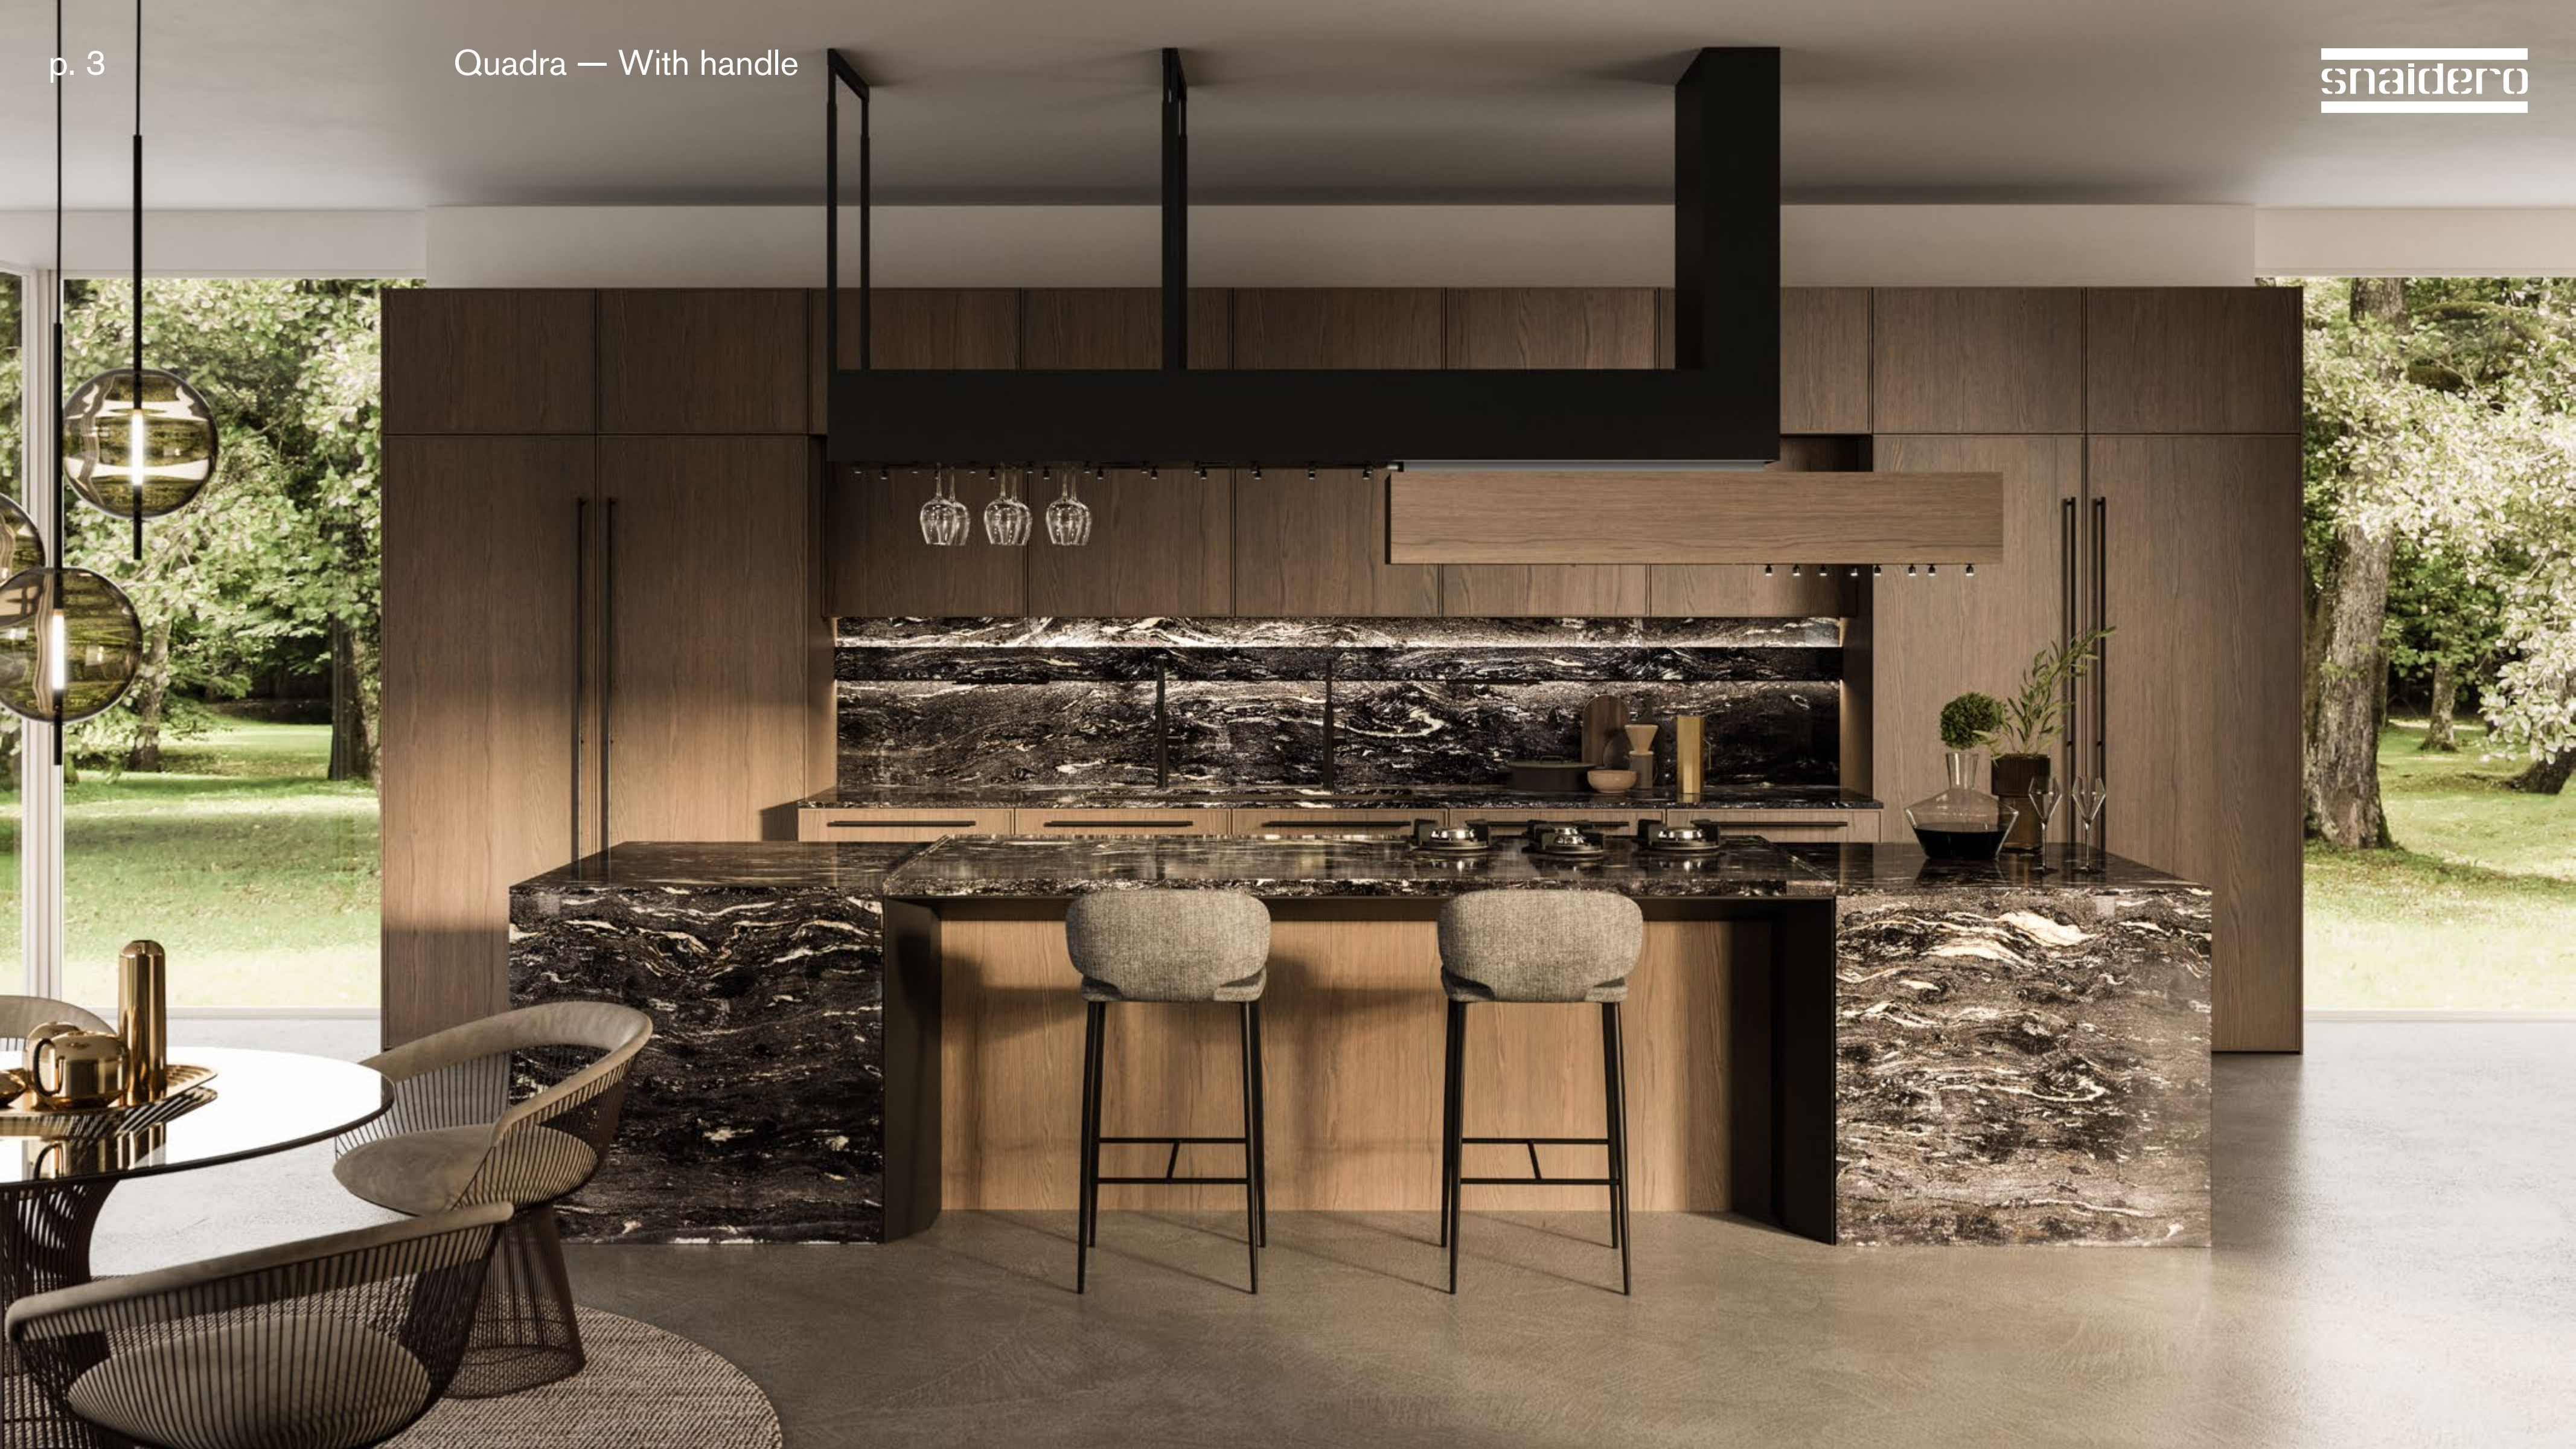

The cylindrical shape and three-dimensional texture, resulting from refined workmanship, enrich the door opening experience by creating pleasantness of touch.

The versatility of the Elegante handle makes it available in six sizes that can be positioned horizontally or vertically to adapt preferred spaces and aesthetics.

Quadra's geometric design dialogues with the Domina hood, creating spaces that are both functional and stylish. Domina is available in a matching finish.

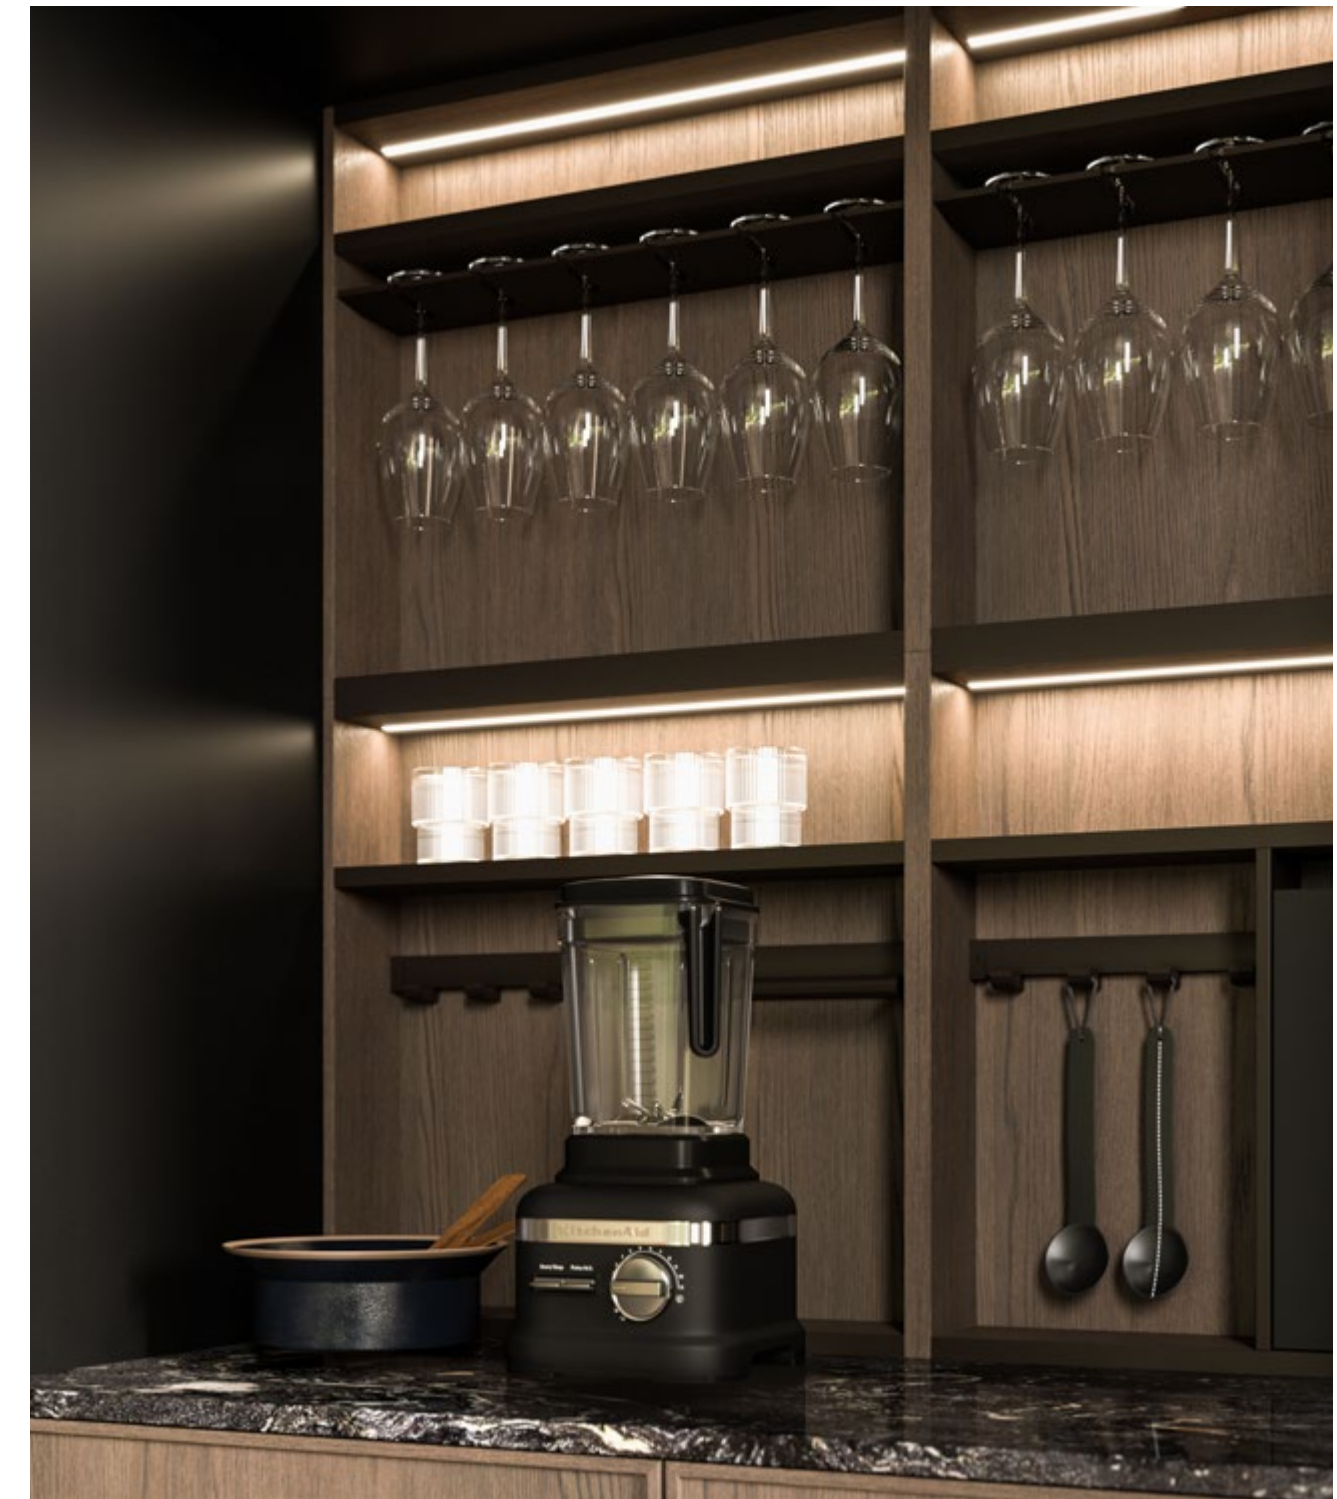

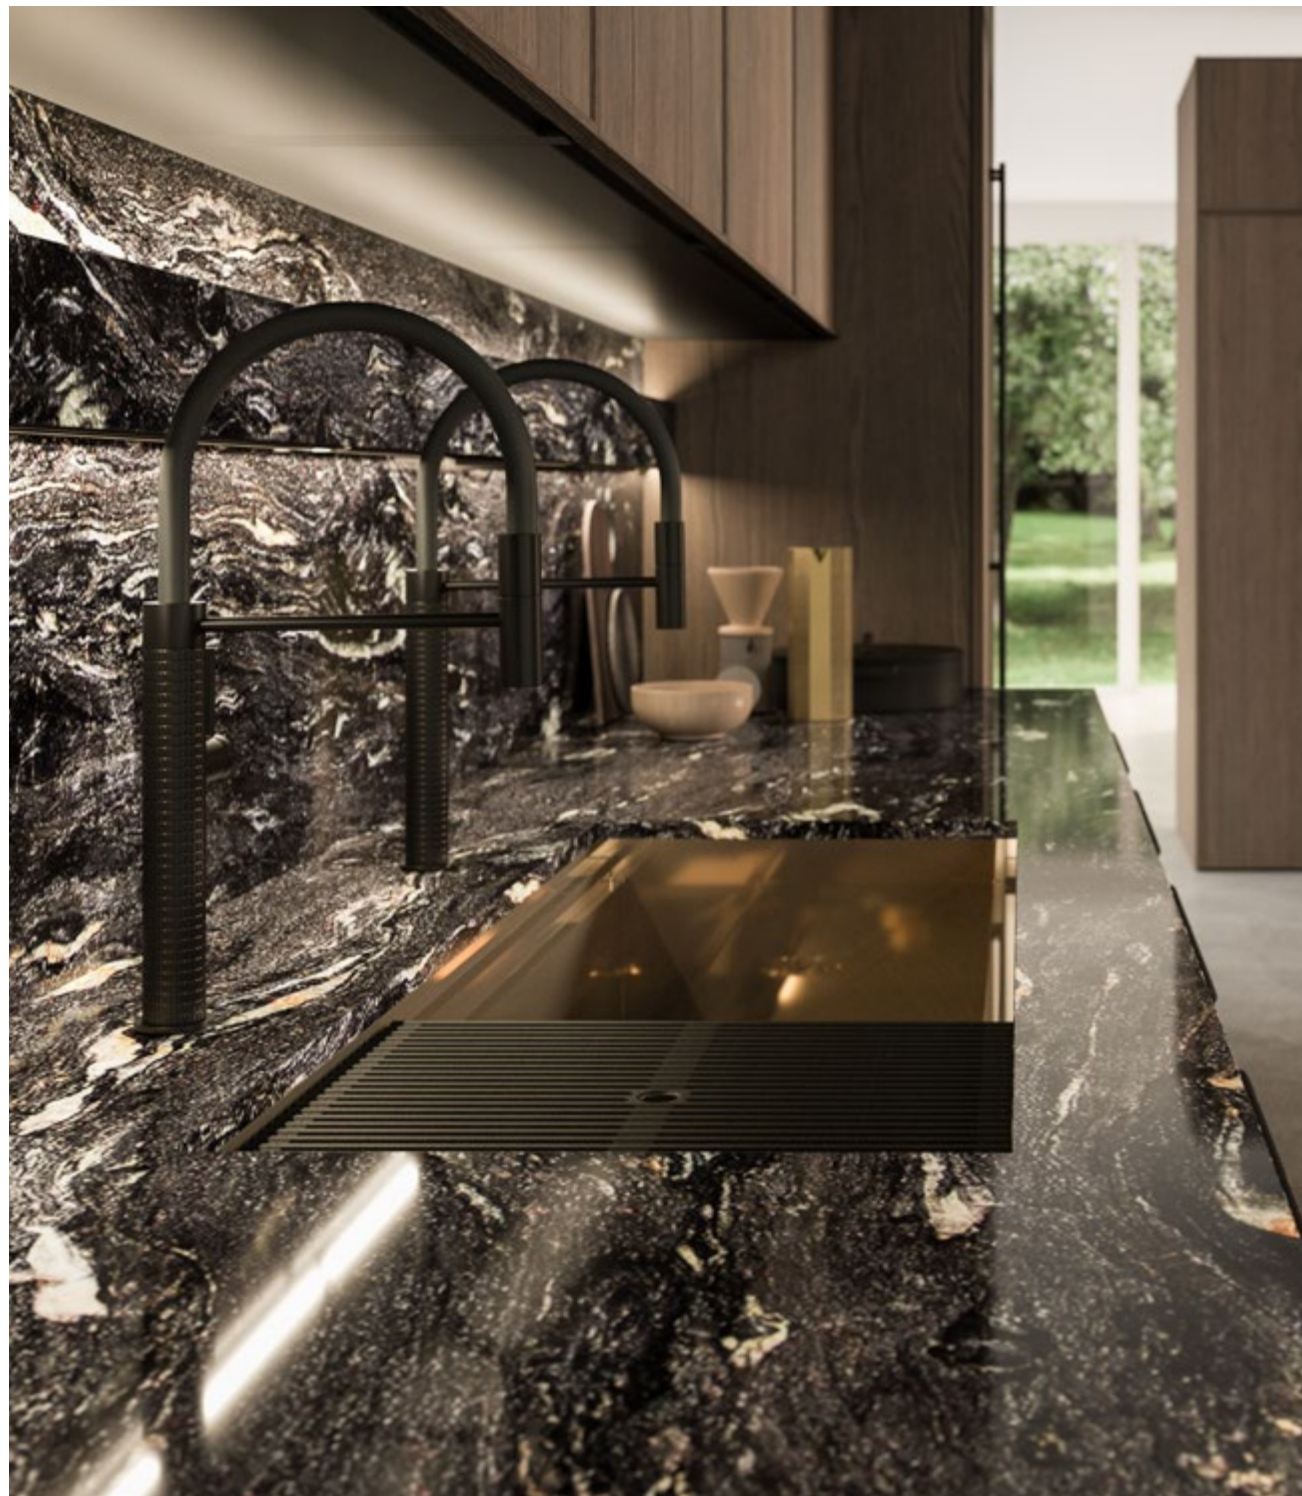

The contrast between the solidity of the island block and the light elegance of the Rialto display creates a space rich in personality. The versatility of Rialto enables extensive customization through a range of accessories.

Wood is also featured in the interior structures. Quadra is available in an oak finish, with options in Dolomites, Earth, Ash and Coal.

Quadra without handle enhances spaces with its essential, continuous geometric lines.

The door frame defines the volumes, complementing the channel available in various aluminum finishes.
