Shop drawings are ONLY intended for cabinetry production. Not for the use of any other scope or trade.

Materials & Finishes

Snaidero cabinetry is produced using the finest materials; however, natural variations in wood, veneer, or stone are considered intrinsic characteristics and not defects.

Availability of finishes and lead times are subject to manufacturer conditions at the time of order.

Lead Times & Delivery

Estimated lead times are provided upon order confirmation.

While we take every measure to maintain projected schedules, delivery timelines are subject to external factors such as international shipping, customs, or unforeseen supplier delays.

Installation

Warranty

Cabinetry is covered under the official Snaidero manufacturer warranty, which applies to material and workmanship under normal residential use.

Warranty does not cover misuse, improper care, or alterations made outside of Snaidero's authorized service.

Cancellations & Restocking

Given the custom nature of Snaidero cabinetry, orders are non-cancellable once deposit has been placed.

Client Responsibilities

The client is responsible for ensuring site readiness at the time of delivery and/or installation.

Delays resulting from incomplete site conditions may incur additional storage or rescheduling charges.
